KIDS & TEENS BIRTHDAY PARTY PACKAGE

by Creative You

About us

Creative You is a ceramic studio for all ages, where everybody can be the artist and enjoy the joy and bliss of handicraft in a cosy environment. Besides offering a relaxed space for everyone to explore their own creative power, our aim is to provide different workshops and theme events to show the innumerable facets pottery painting, glass fusing, working with clay, canvas painting, crafting mosaics, soaps, candles and other creative activities have to offer.

Our vision is to provide an excellent customer service and creating a great atmosphere at the studio. The creative process of designing and painting your own pottery piece helps you to switch off and to forget everything else and the shared joy of free creation brings friends, families and colleagues together. Creative You is an artistic hub with design, art, creativity and community, our core values are creativity, learning and assisting the customers on the artistic journey with us.

In our bright studio we create a beautiful space for the birthday party with decorations and with our help the children and teenagers can enjoy two hours of creative fun, a great introduction to the basics of ceramic painting, experimenting with colours and patterns, lots of different techniques such as stamping, stencils, tapes, bubbles - and their finished artwork will be a fantastic souvenir to take home. They can choose from a lovely selection of items and each can paint their own piece which is included in the package.
